Hello!

The Alphabet

There are 33 letters in the Russian alphabet, called 'cyrillic' (after St Cyril).

- some are similar to English
- some look like English letters, but are pronounced very differently (hard!)
- some look a bit crazy...

WHY CHOOSE RUSSIAN?

Sevenoaks has one of the largest and best Russian Departments in the country – over 110 pupils study it from Y8 to U6.

**About 16 Y8 pupils start Russian each year.
(talk to them!)**

WHY CHOOSE RUSSIAN?

**There's just something
about Russian.**

It gets under your skin.

It gets in your head.

**People who study Russian
love it.**

**90% of those who start
Russian at Sevenoaks
continue to GCSE.**

"I Love
you"

Я люблю
тебя

**Amazing History.
Amazing Literature.
Amazing Culture.
Amazing People.**

***An incredible
adventure ahead?***

But most of all, an amazing language...

**Russian is written in 'cyrillic'.
It looks cool.**

Come to Russia with us...

Why choose Russian?

1. It's **FUN!**
2. Learning the Cyrillic alphabet is actually **very easy**, yet **very impressive** to everyone else!
3. Fascinating culture and crazy people!
4. Opportunity to **visit Russia** in Y10!
5. Not many people learn Russian in this country – Sevenoaks has one of the largest Russian departments in the UK. Take the opportunity to **be special!**

Very few people know Russian.

Do you want to be different?

To start the adventure?

To take the road less travelled?

Yes?

Study Russian.

Thank you!

Спасибо!
